# Picture Day Schedule

Please find your child's classes below and their scheduled picture time. All students should arrive 15 minutes before their scheduled picture time dressed in their first costume. Please wear a cover-up over the costume as you enter the studio. Hair should be worn as the teacher directed with just a little bit of makeup as needed. Parents are not allowed in the studio while we are taking pictures to ensure quality photographs. There is to be **NO** photos taken inside the studio during Picture Day with personal cell phones, cameras or electronic devices. If you are not satisfied with the pictures please contact Gianna Grace Photography for a resolution.

**Information on picture packages and sitting fees can be found on the back of this page.** Remember, you are under no obligation to purchase pictures, however, the studio likes to have a group shot of all the wonderful students for display in the studio. About 2 weeks after Picture Day pictures will be available for viewing and purchasing online. **Once the pictures are ready online you will receive an email with the website and access code to view the pictures.**

For anyone who wishes to have special pictures taken (sisters, friends, etc.) this will be done if time allows. We cannot make other students late.

We ask that **ONLY ONE FEMALE PARENT/GUARDIAN** attend Picture Day because of the lack of room and the changing of costumes. Please make arrangements to have siblings taken care of so YOU may attend to your dancer.
