PICTURE DAY SCHEDULE

Studio Energy & Motion "Energy & Motion" Recital Picture Day

Date: Saturday, April 13, 2024 (See Below for Times)

Location: Studio E&M

Please find your child's classes below and their scheduled picture time. All students should arrive 15 minutes before their scheduled picture time dressed in their first costume. Please wear a cover-up over the costume as you enter the studio. Hair should be worn as the teacher directed with just a little bit of makeup as needed. Parents are not allowed in the studio while we are taking pictures to ensure quality photographs. There is to be **NO** photos taken inside the studio during Picture Day with personal cell phones, cameras or electronic devices. If you are not satisfied with the pictures please contact Gianna Grace Photography for a resolution.

Information on picture packages will be sent out with proofs. Remember, you are under no obligation to purchase pictures, however, the studio likes to have a group shot of all the wonderful students for display in the studio. About 2 weeks after Picture Day, pictures will be available for viewing and purchasing online. **Once the pictures are ready online you will receive an email with the website and access code to view the pictures.**

For anyone who wishes to have special pictures taken (sisters, friends, etc.) this will be done if time allows. We cannot make other students late.

We ask that **ONLY ONE FEMALE PARENT/GUARDIAN** attend Picture Day because of the lack of room and the changing of costumes. Please make arrangements to have siblings taken care of so YOU may attend to your dancer.
